BRIDAL SERVICES

A key ingredient to bridal services is the principle that every bride is unique in her own way - hair style, height, eye color, facial features and vogue with very specific wedding day desires. That is why we invite the bride (and even her family) to a complimentary consultation so that our team of beauticians and consultants will put all the necessary pieces together to make her look her VERY best on that special day. We do not only promise, we also guarantee that the bride will look more beautiful than ever before.
